

## ARCHITECTURAL PURITY AND STRONG COHESION

between materials: these are the peculiarities of the project that reveal the personality of Z2. Wood, lacquer and light combined with a clever balance create a perfect synergy between function and design, elegance and simplicity.

Purezza architettonica e forte coesione tra i materiali sono le peculiarità di progetto che rivelano la personalità del sistema Z2. Essenze, laccati e luce: accostati con sapiente equilibrio generano una perfetta sintesi tra funzione e design, tra eleganza ed essenzialità.

Z2 includes also operative solutions for disabled and their needs.

The care and use of particular elements characterizing the reception system.

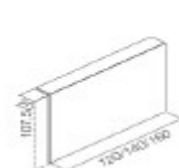

Z2 contempla la soluzione delle necessità e le problematiche operative dei diversamente abili con risposte appropriate.

La cura del particolare è elemento che caratterizza il sistema reception.
